Dear Ms. Carlton:

The Division received an application for the SUFCO Mine to seal two south portal intake entries on June 24, 2004. As part of the consultation for this project we are notifying you that you now have the opportunity to provide comments pursuant to 30 CFR 944.30 Article VI, Part D, 30 CFR 740.4(c)(2) and 30 CFR 740.13 (c)(5) and (c)(6).

Please submit any comments so that we can include them in our decision within 30 days of the date of this letter. If we have not received any terms and conditions by August 16, 2004, we will consider that the Forest Service has no comments or terms and conditions. If the permit change is determined by OSM to be a mining plan modification, we will notify you.

If you have any questions, please call me.

Sincerely,
